CALL FOR PAPERS

2nd IEEE International Conference on Application of Information Technologies in Engineering, Management and Science

📅 **10–13 NOVEMBER 2026** 📍 **PISA, ITALY** 🏛 **"Le Benedettine" Conference Center**

ABOUT THE CONFERENCE

We are pleased to invite researchers, academics, and industry professionals to the 2nd IEEE ICAI-TEMS, hosted in the historic heart of Pisa, Italy. The conference serves as a premier interdisciplinary platform for the dissemination of original research regarding the application of advanced computation across engineering disciplines. ICAI-TEMS 2026 focuses on cutting-edge developments in technology and innovation management within contemporary business environments, bridging the gap between theoretical computing and practical, sustainable industrial solutions.
